

CLOUDLINE & CLOUD BRACKET

DECORATIVE DIFFUSERS FOR
COMMERCIAL AND RESIDENTIAL
APPLICATIONS

STANDARD MATERIAL:
WHITE ACRYLIC
PETG

Description

The Cloudline Series are decorative diffusers for commercial and residential applications.

The Cloud Bracket Series feature a soft, curved diffuser designed to envelop a metal strip fixture. The bracket's specially designed hardware allows it to easily attach to the knock-outs on each end of the fixture. These brackets are a perfect companion for the Cloudline series of surface mounted diffusers.

Application

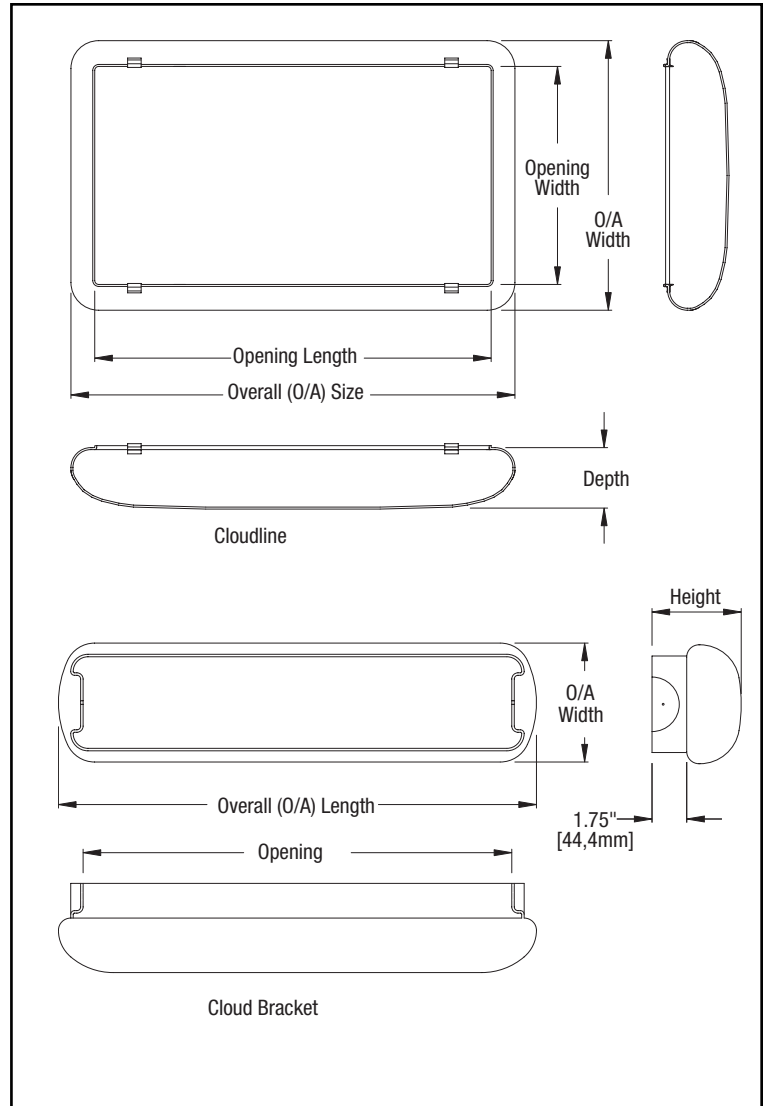

The Cloudline series brings an updated look to residential and high-end commercial applications. The Cloud Bracket diffuser transforms a lower cost unit into a sleek, simple solution for restrooms, bathrooms, corridors or hallways.

Cloud Lens
